Let's talk financial decluttering.

Why? Because messy money habits can derail even the best-laid plans to build wealth by:

- Slowing your yearly growth
- Increasing the chance of missed payments
- Potentially hurting your credit score

Simple solutions

[According to the experts](#), these three simple steps are the key to regaining control:

Step one: Organizing

Start by [organizing all your accounts in a spreadsheet](#), including:

- Financial
- Credit cards
- Loans
- Insurance
- Retirement
- Investments
