5 benefits of reading to your child (plus 8 book recommendations)

Pro-tip: Read your favorite children's books to your own child | Photo via Lakeland Christian School

Today is National Read Across America Day. In honor of the holiday, we're exploring the [benefits of reading aloud](#) to your child + why it's important to carve out quality time with your kid while enhancing their academic mind.

Here are 5 benefits of reading with your child:

1. When reading aloud to your kids, you may come across a word they may not understand. There's an opportunity to build vocabulary by stopping to talk about what the word means.
2. Reading aloud to kids can also help with language and speech development, and...
